

executionMode.h

```
graph BT; main_c[main.c] --> executionMode_h[executionMode.h]
```

The diagram consists of two rectangular boxes. The top box is light gray with a black border and contains the text 'executionMode.h'. The bottom box is white with a black border and contains the text 'main.c'. A blue arrow points vertically from the top of the 'main.c' box to the bottom of the 'executionMode.h' box, indicating a dependency or relationship between the two files.
